Press release: January 2020.....

Celebrated PAC-12 Official Jeff Dahle Returns to Speak at 2020 BAFRA Convention

The BAFRA Board of Directors are delighted to announce that Jeff Dahle will be the Guest of Honour and main speaker at our 2020 Convention and Training Weekend.

Jeff began his officiating career in 1999 with the Northern Nevada Football Officiating Association. He served as the NNFOA's president over half of his tenure and was elected twice as crew chief. He worked several high school playoffs including two Nevada state championships in 2004 and 2007.

He started working at the NCAA level in 2004, joining the Northern California junior college association as a Side Judge and Referee where he was assigned three post-season assignments including a state semi-final. He was hired by the Western Athletic Conference (WAC) in 2010 as a Side Judge where he worked for two years and received a post-season assignment in 2011. Jeff then moved to the CFO West in 2012, consisting of the Mountain West and Big 12, for two years and worked a bowl

game in 2013. Jeff was hired by the PAC-12 in 2014 and has been assigned a post-season bowl game every season, most recently being the 2017 CFP semi-final Sugar Bowl, 2018 PAC-12 Championship game and the 2019 Armed Forces Bowl.

Additionally, Jeff is part of the PAC-12 Referee developmental program. He also participates as an instructor and mentor at several officiating camps and clinics during the off-season.

Over the last 10 years BAFRA's Annual Convention has grown in stature to become one of the best officiating training events in Europe. Davie Parsons, BAFRA President said, "We are absolutely delighted that Jeff has accepted the offer to speak at our Convention again. His presentations in 2018 were excellent and were well received by our members. We are thrilled to welcome back such a high-profile College Football official and look forward to gaining from his 20 years of experience officiating at the highest level, as well as his expertise in delivering quality football clinics and training."

You can now register to attend the Convention at the undernoted website and book accommodation if required:
