Training for Small-Sided Football – On-Field Training

To support the development of officiating of small-sided football (flag and contact), BAFRA may appoint one or more mentors to small-sided football events.

The role of a mentor is to provide format-specific training and feedback to officials working the event to which the mentor is assigned.

The mentor will deliver the following:

- ✚ On the day pre-event training on rules and mechanics
- ✚ On-field observation and feedback, both during and after the event.

Officials will not be graded, scored or assessed, but will receive written feedback after the event.

The mentor will be paid according to the current BAFRA policy for assessments. The mentor will be expected to provide a written report to the Director of Training. Payment will only be made once approval is given by the Director of Training on receipt of a satisfactory report.
