6. Black (or predominantly black) shoes with a suitable stud or tread pattern and black laces.
7. A peaked cap, white for the Referee, black with white piping for the other officials; solid, sized hats are preferable to meshed, adjustable ones; rain hats are permitted.

6. Game data card, pencil (and spare) or other method of recording.
7. Down counter (and spare).
8. Coin for the toss (Referee and Umpire only).

Note: Guns (e.g. for signalling the end of a period) are expressly prohibited.

#### Smoking

## SMOKING IN UNIFORM

The Directors believe that officials smoking in uniform do not create a positive impression of BAFRA as an organisation or the sport in general. Officials are therefore asked to exercise discretion when smoking in uniform and ensure they are away from public areas and, as far as practical, unobserved.

## Off-field

Officials are expected to be neat and tidy at all times. They are on view from the moment they arrive at the venue until the time they leave. Dress standards must be high at all times.

Arriving and departing from the venue, all officials shall wear:

1. EITHER a smart shirt or blouse, OR a plain polo shirt with no more than one small logo on the breast
2. Trousers or a skirt, but not denim jeans or skirt. Smart shorts (not denim) are acceptable in hot weather. BAFRA tradition allows the wearing of a kilt.
3. Shoes, but not trainers
4. Anything bearing the logo of any British team is prohibited. This includes caps

## Restrictions

1. Approved logos are the BAFRA badge, any other BAFRA logo, or any BAFA, EFAF or IFAF approved logo
2. Only current BAFRA members may wear uniform or clothing bearing a BAFRA logo.
