Membership application form

**This application form is for people wishing to become 5-on-5 and Flag officials only and may only be used by those who have received training and hold a BAFRA Certificate of Competency for those disciplines.**

## Notes on disclosures

1. If you have been convicted of any relevant offences you must provide details for each conviction of the date of conviction, the name and location of the convicting court, offence of which you were convicted and the sentence imposed.
2. If you have been subject to disciplinary action by an American football organisation, you must provide details for each action of the date of the action, the organisation involved, the offence of which you were convicted and the disciplinary action taken. This includes any ejections you may have received as a player or coach.
3. If you have engaged in conduct that has brought, or is likely to bring, the reputation of the Association into disrepute, please provide details. This would include instances where you have made public criticism of sports officials, or where your conduct in the public domain might be thought to be detrimental to the sport or officiating in general.
4. In making a decision on membership, the Directors of BAFRA will consider the following factors:
  - a) The Association's policy on the membership of ex-offenders
  - b) The seriousness of the offence and its potential relevance to the practice of officiating
  - c) The length of time since the offence occurred
  - d) Any relevant information offered by the applicant about the circumstances which led to the offence being committed
  - e) Whether the offence was a one-off, or part of a history of offending
  - f) The degree of remorse, or otherwise, expressed by the applicant and their motivation to change
5. What if I have a criminal record or been the subject of disciplinary action? Information will be treated fairly and kept confidential to the directors involved in assessing your application. If there are issues regarding your disclosure you may be contacted by BAFRA to ask for further information or clarification. A positive disclosure does not automatically bar you from joining BAFRA. Each case is treated on its individual merits.
6. Informal advice on the above can be obtained from either BAFRA's General Secretary ([secretary@bafra.info](mailto:secretary@bafra.info)) or President ([president@bafra.info](mailto:president@bafra.info))
7. Note that BAFRA reserves the right to terminate your membership if it is subsequently discovered that you failed to make a full disclosure as part of your application for membership

## BAFRA policy on the membership of ex-offenders

8. BAFRA believes that people with a criminal or sport-disciplinary record deserve a second chance, and that officiating is an excellent means by which ex-offenders can contribute to the community, show responsibility and develop people skills. This must however be balanced by an assessment of whether there is a risk to children or of violence, or a loss of the integrity that is essential to the officiating profession.
