

John Slavin Award 2022-23 BUCS Season

BAFRA gives the John Slavin Award in even-numbered years to the team with the best marked field. This includes correct field dimensions, correct line and other markings, correct size goal posts, correct positioning of pylons and the condition of the field surface. The title is awarded to the team that has come out best in an audit carried out by BAFRA members at each game. A perfect facility scores 0.

The award is named after John Slavin. John was a long-serving BAFRA official and sometime director of the Association who sadly died in October 2005.
